REMARKS

The Applicant respectfully requests entry of the above amendment(s) to clarify the disclosure of this application. It is respectfully solicited by the Applicant that the Primary Examiner recommend entry and the Commissioner approve the same without withdrawing this case from issue. As this Amendment After Allowance is being filed **prior** to payment of the issue fee, no petition or official fee is believed necessary.

While the Applicant generally agrees in principle with the reasons for allowance supplied by the Examiner, it is noted that claims 32, 43 and 51 each contain slightly different limitations and thus each claim is believed to be allowable in view of the specific limitations contained in each claim which is generally summarized in the Reasons for Allowance.

If any further amendment to this application is believed necessary, the Examiner is courteously solicited to contact the undersigned representative of the Applicant to discuss the same. If necessary, this case will be withdrawn from issue in order to enter the necessary amendment(s).

In the event that there are any fee deficiencies or additional fees are payable, please charge the same or credit any overpayment to our Deposit Account (Account No. 04-0213).

Respectfully submitted,
